

Chapter 1 General Provisions

Article 1 (Purpose) The purpose of this Regulation is to

establish harmonised rules for placing products on the market across the territories covered by this instrument.

Article 2 (Scope) This Regulation applies to all operators

who manufacture, import or distribute regulated products, and to any representative acting on their behalf within the

internal market of the relevant jurisdiction.

Article 3 (Definitions) For the purposes of this Regulation

the following definitions apply consistently throughout.

Article 4 (Obligations) Operators shall keep records for

a period of at least five years and make them available to the competent authority, and shall ensure that such records

remain accurate and complete throughout that period.

Chapter 2 Final Provisions

Article 5 (Entry into Force) This Regulation shall enter into force on the twentieth day following its publication in the Official Journal and must be applied in full.
